WALK WITH SHOT NEAR HEART.

Candy Clerk Spent Five Hours in the Streets After Attempt at Suicide.

New York, Nov. 7.—After shooting himself over the heart yesterday, Edwin Fisher, of No. 2,114 Eighth-ave. walked more than a mile and a half. Fisher, who is twenty-two years old, shot himself with a revolver in Central park. He then walked downtown as far as Twentieth-st and Eighth-ave. where he fell. Then gathering his strength he got to his feet again and staggered along Eighth-ave. until he was seen by Patrolman Olpp, of the West Twentieth-st. station. To him Fisher explained that he had shot himself soon after midnight, nearly five hours before. He was taken to the West Twentieth-st. station, where, standing unaided at the bar, he told the sergeant that he had been walking about since he shot himself.

Fisher's employer, Rudolph H. von Dohlin, a candy manufacturer at the address given by Fisher, said that the young man came from Germany where his parents are now living. He said that Fisher had two young women friends, between whom he divided his attention and time. Fisher told the police that he was homesick and despondent because of a love affair, besides being penniless. Fisher was taken to the New York hospital where he is now in a critical condition.

FIRST TRAIN OVER NEW BRIDGE.

Steel Span Over Pend d'Oreille at Sand Point Completed.

Missoula, Nov. 7.—The eastbound Burlington express was the first train to pass over the new Northern Pacific steel bridge over the Pend d'Oreille river at Sand Point, Idaho. The great bridge which has been under construction for nearly a year has been completed and turned over by the construction department to the traffic department.

The estimate cost of the new bridge is \$1,000,000. In its construction 2,300 tons of steel were used. It took four and one-half tons of paint and 500 gallons of oil to paint it. The new bridge is six feet higher than the old wooden structure. Some years ago the river overflowed the old pile bridge, and the new bridge was made higher on this account.

The bridge is the longest on the line of the Northern Pacific, the pile bridge, along the Pack river, its only rival in length, going out of commission with the completion of the new line out of Hope.

WILL BUILD RAILROAD Y. M. C. A.

Helen Gould to Spend \$150,000 or More in St. Louis

St. Louis, Nov. 7.—Miss Helen M. Gould, representatives from nearly all railroad lines entering Union station, and a number of prominent Y. M. C. A. workers met today at the Buckingham club to discuss Miss Gould's plans for building a railroad Y. M. C. A. in St. Louis, a project she has had under consideration for several years.

Miss Gould desires to have all railroads of the terminal company take part in the work and erect a structure to cost about \$150,000 somewhere near Union station. She will subscribe liberally and will contribute many of the furnishings and the library, it is stated.

FOWLS GET DRUNK.

Give Good Imitation of Antics of Human Biped.

Burlington, N. J. Nov. 7.—A terrific uproar in the chicken yard of Dr. E. L. Hewitt, on Wood street, today attracted the attention of the family, who found the entire flock in a state of hilarious intoxication. A large jar of wild cherries preserved in brandy had been thrown into the yard and the chickens had devoured them with relish.

Some of them were lying on their backs with feet in the air; others were wobbling about in an attempt to walk, trying to keep an equilibrium with outstretched wings. Two hens were fighting and reeled about in a realistic imitation of a drunken brawl. The birds continued their remarkable antics for three hours.

TWO LADIES KILLED.

Did Not See Approaching Train and Stood on Track.

Alameda, Cal. Nov. 7.—While hurrying with a party of Alamedans to take a train for San Francisco, Mrs. Leona Matheson of 114 McAllister street, San Francisco, and her friend, Mrs. M. D. Ettien of 629 Los Angeles street, Los Angeles, were struck by the east-bound local on the South Shore line at Ninth street and Central avenue, and almost instantly killed.

The accident occurred at a point where the local train for the Mole and the east-bound train pass. The party

was waiting for the train from Park street to pass on the farther track, and failed to note the approach of the up train, when they walked in front of the locomotive with fatal results.

FOUR MEN KILLED.

Another Fatally Wounded—Record of 15 Hours in Birmingham.

Birmingham, Ala. Nov. 6.—Within fifteen hours four men have been killed and one fatally wounded in personal fights in the Birmingham district.

At Lewisburg Jack Yarborough, a merchant, and J. V. Phillips, a miner, quarreled over a game of cards. Yarborough was killed instantly, and Phillips died several hours later.

At Cardiff W. M. Mulkin, a white mine striker, applied an epithet to Perry Burns, a negro miner, and a pistol duel followed. Mulkin was shot through the brain, but lived for four hours. Burns will die.

At Dolomite, during a negro wedding, a guest raised a disturbance, and when the negro minister remonstrated with him he shot the preacher dead.

TOP PRICES FOR OREGON HOPS.

One lot of 150 Bales Sells at 32 Cents Per Pound.

Eugene, Nov. 7.—The record price for Oregon hops was reached today when J. J. Metzler of Portland, sold to eastern brewers, 150 bales at 32c f. o. b. Portland. Several rumored sales at this figure have occurred, but this is the first where confirmation can be had. These hops were not fancy, but ranged in quality from prime to choice. It is a poor hop nowadays that will not bring better than 30 cents, and sales at 28 and 29 cents, which were formerly so common, are not going on now. Olds are selling for 31½ cents, and the market can be said to be on a 32-cent basis.

Pudding Killed One.

New York, Nov. 6.—Cornell Preston, a negro lad poisoned a week ago by eating part of a plum pudding left by an unknown messenger at a theatrical boarding house in west Forty Third street is dead at Roosevelt hospital. Preston's mother, who was cook in the boarding house, and another colored boy, both of whom also have been in the hospital, are recovering. No trace has been found of the poisoner.

Pledged Mother's Ring for Drinks.

New York, Nov. 7.—Recorder Lazarus, in the Bayonne, N. J. police court, suggested yesterday that a spanking

might do good to John Jileky, an overgrown youth of 19 years, who admitted he had pledged his mother's wedding ring for a round of drinks in order that he might "hold his end up" with a number of companions.
